

I just wanted to let you know that K Love Radio is a very big part of my life and my family's life. I feel that it helps all of us to have a choice of hearing some positive and encouraging music. There are alot of other radio stations to listen to out there, but when my teenage daughter is choosing K love I feel it is in the best interest of her and her friends and other teenagers out there to have klove to listen to, when there is so much degrading and immoral music being played on other stations. The world needs to hear more positive and encouragement in these times and with K Love we get that.
